Discover Kent with Camp

We are very pleased to announce that Camp is going to Folkestone for 2009! The site we are going to has excellent facilities is in a secluded location and is a short walk from the town and the beach . In previous years activities at camp have included banana boating, ski bobbing and bike riding.

Camp not only provides an opportunity to go on off-site activities but also has a broad range of on site activities too. However, if you prefer to just chill out there is time to do that too.

As well as amazing activities, Camp has good food, fellowship and allows you meet up with friends old and new.

If you've never been to Camp before and aren't sure if you'd enjoy it, speak to

some people from your Company who have been and ask them about their experiences of Camp. Or alternatively take a look at the photos and videos on the website (www.mk-camp.com). The Hub in January will also provide an opportunity to learnt more about camp. The details of this event can also be found on the camp website.

All the information you need can be found over the page, but if you have any outstanding questions please let us know via the website. You can also sign-up on the website and receive an email whenever it's updated.
